BOIRR UPDATE
[E – 2024-12-24]

The Fifth Circuit Court of Appeals in the *Texas Top Cop* litigation has GRANTED the government's request to stay the injunction issued by the district court. This reinstates the requirement to file your BOIRR report.

Treasury also has extended the filing deadline from January 1, 2025, to January 13, 2025.

This means reporting companies must file their BOIRR reports by January 13, 2025.

AS OF NOW, if you have not already completed your filing, you must comply by January 13, 2025.

While there is the possibility that the plaintiffs will seek review by the United States Supreme Court and that the Supreme Court will reinstate the injunction, the current state of affairs maintains the mandatory BOIRR filing within the extended deadline of January 13, 2025. Other deadlines for a limited number of new, recently-formed companies have also been modified by Treasury.
